

West Virginia Relay Conference Captioning (RCC)

RCC is a free service for West Virginians who have a hearing loss to actively participate in conference calls or webinars on a laptop or mobile device with a high-speed Internet connection.

To book an event: westvirginiarcc.com

How RCC works:

1. Captioners connect via a conference bridge.
2. The captioner listens and captions via the conference bridge what is heard in real time.
3. RCC participants read captions via an Internet connection.

Features:

Conference calls:

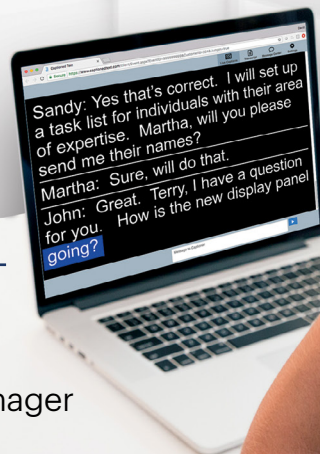

RCC participants receive captions through an internet browser on a computer or mobile device.

Webinars:

RCC participants receive captions through select webinar platforms, including Adobe Connect, Webex™ or via provided RCC link.

Transcripts (optional):

Transcripts must be requested while scheduling an event. Only authorized participants may obtain a transcript.
