

# Are you a hearing person? Have you heard about West Virginia Relay?

westvirginiarelay.com

## Just dial 711!

If you are a hearing person and you want to call individuals who are Deaf, Hard of Hearing, DeafBlind or those with a Speech Disability, all you have to do is dial **711**. It is that easy! (If the phone from which you are calling does not accept **711**, just call **800-982-8772** for the same great results).

## Follow these simple steps:

1. Dial **711** (or **800-982-8772**).
2. A specially trained West Virginia relay operator will answer and identify themselves by their operator number.
3. Give the relay operator the phone number of the person you are calling.
4. The relay operator will connect you with the person you are calling and will assist you with communication.

## It really is that easy!

Remember, calls can be made to anywhere in the world, 24 hours a day, 365 days a year. All calls are strictly confidential and no records of any conversation are maintained.

West Virginia Relay... making a telephone connection for hearing, deaf, hard-of-hearing, deaf-blind, speech-disabled, and late-deafened individuals! Just dial 711!
